

Card	High Vibration	Low Vibration (Shadow)
A♥	<p>Liberal beliefs with creative, out-of-the- box thinking. Powerful feelings with a sensitive heart and natural artistic abilities. Strong work ethic and pursuit of making a mark for yourself. A pension for soul-searching and introspection and wanting to find another to reflect back to you what you are seeking within.</p>	<p>With such a strong impetus for independence, yet seeking to start new relationships, you can take risks in love and/or only take from a relationship what you need to feel fulfilled. There can be a lot of naivety and immaturity when it comes to making decisions and can lead to a life of making many mistakes, attempting to learn by trial and error, creating hardships for yourself.</p>
A♣	<p>Charm, wit and good taste, knowing what to say to keep everything harmonious. Willing to do what it takes to learn something new. A fast, sharp mind that enjoys intelligent individuals. Curious and always wanting to know, to research, to discover.</p>	<p>Head and heart act as one, creating one who is either completely objective or completely romantic. So focused on jumping to something new and exciting that one never stays within a topic or relationship long enough to create a stable, committed foundation.</p>
A♦	<p>Idealistic, spiritual, and compassionate, always looking for the good in others. Highly creative imagination and excels in the artistic fields. Creative in ways to make money or begin some new financial venture. Searching within oneself to create/build a project/venture that expands the spiritual ideals and explains the deep sensitivities you feel.</p>	<p>Because of the increased sensitivities, one is either always acting on behalf of others to the point of their own undoing or avoid looking at what is not working, not positive or unpleasant. This creates the need to escape, which can lead to addiction.</p>

A♠	<p>Ability to launch a new type of work that will be transformative. Excels in a job or occupation that transforms lives.</p> <p>Imaginative, creative and psychic; a visionary and dreamer drawn to higher consciousness and spirituality.</p>	<p>Fears and paranoia of the hidden and unknown. Refusing to allow things to die or be transformed out of fears. Escapism, refusing to deal with the hard issues creating addictions.</p>
----	---	---

2♥	<p>Collaborations and cooperation with others in a remarkably close way.</p> <p>Happiness comes from relationships and birthing something new with another person. Always striving to find the beauty in life, romantic and a seeker of the spiritual. Gentle, gracious and sympathetic.</p>	<p>Blind to deceptions in others and puts those you love on pedestals, especially romantic partners, ignoring their faults. Keeping all at a distance fearing rejection.</p>
2♣	<p>Collaborations and working with others to pursue mental/intellectual projects.</p> <p>Communicating and sharing ideas and knowledge. Good at transforming the old/traditional and upleveling it for social change and betterment.</p>	<p>Contradictions in making decisions and communicating due to the perspective of needing both traditional and new/unique, individuality and responsibility. Creates conflict over the past and future, too cautionary with change and problems with authority.</p>
2♦	<p>Partnering with someone to make money or build a business. Organized with the ability to take sound action on a project or cause. Fierce with responsibility in creating the life you want.</p>	<p>Fear of failure and being overly responsible creating inaction and making it impossible to achieve goals.</p>
2♠	<p>Networking and activities with friends, creating a network/tribe/community.</p> <p>Helping others with imagination and a sensitive nature. Ability to be creative in artistic fields that are expressions of the heart/soul.</p>	<p>Weakness with physical stamina creating avoidance of tasks. Subconsciously starting battles with others, blaming them for subconscious motivations. Extreme idealism with mates creating anger at their flaws and faults.</p>
3♥	<p>Having a variety of relationships and a variety of ways to express yourself and your creativity. Talking, meeting new people and expressing yourself with ease. Wanting to understand love, therefore having a variety of experiences in relationships to better understand your desires and how you express your desires.</p>	<p>Being unsure where to place your affection – being torn between several love interests or even creative interests. Worry and fear leading to indecision because of placing too much on the rational, logical, analyzing approach to love. Not wanting to make a commitment within your relationships.</p>
3♣	<p>An abundance of mental creativity and ability to communicate creatively in the field of writing.</p> <p>Ability to organize, plan and stick to it with creative projects and creative ideas.</p>	<p>Worry, indecision and mental stress because of being overwhelmed with ideas, creating a stuck feeling.</p>

	Creative ideas that create responsible action.	
<b>3♦</b>	Individual and independent thinker with non-traditional ideas. A brilliant mind on topics that interest you. Good with science, technology or social engineering. A lot of creative energy for producing progressive ideas and environments that value originality.	When not applying the creative energy towards a project that matters to you, indecision and worry creates fear and stubbornness. Can be arrogant, offensive and demanding of others to take a stand for “your truth” because you see yourself as an instrument of truth and don’t care how that might affect others.
<b>3♠</b>	The most creative card in the deck and known as The Artist. Ability to make imagination practical. Consider ethical implications as well as practical realities in decision-making. Can have the gift of knowing when to act, when to not act, when to go for it, when to reevaluate, when to work and when to play.	So creative that if not channeled properly or focused, you create physical stress due to indecision and fear. When stressed, the ability to know what to do becomes difficult and you either refuse to do anything or act impulsively.
<b>4♥</b>	Success with creating a happy and stable foundation of love for family and social life. Gift of truly understanding people and knowing what is really going on with motivations, which allows you to create stable foundations within home and family.	Creating a rut and not being able to see outside the box of what you see as stability within your home, family and relationships. Not willing to change your feelings or forgive anything outside of your expectations within your relationships. Unaware of what you are “picking up on” and confused by what is really going on, thus creating fear.
<b>4♣</b>	Abundance of optimism, mental energy and enthusiasm. Self-confident with clear and practical thinking. Strong ability to go after what you want with expectations of a positive outcome.	Fixed mental attitudes that alienate you from others. A bossy, controlling attitude. Over- zealous beliefs that are forced onto others.

4♦	<p>Being stable in knowing exactly what your values are and what you want in life- therefore attracting it to you.</p> <p>Managing your resources in a positive way so you can create and build upon a secure foundation.</p> <p>Removing the illusions around love in order to create true stability and a life of stable values.</p>	<p>Being stubborn and fixed on there being only one way to achieve your financial goals.</p> <p>Making your financial security your only priority.</p> <p>Believing that 'love/romance' is your way to security.</p>
----	--	--

4♠	<p>Ability and willingness to work hard, 'keep at it' and make steady improvements to create stability in your work and health. Friendly, outgoing, and generous.</p>	<p>Being stubborn and overly fixated on working hard. Not giving yourself time to relax and play- therefore becoming sick and tired of life. Can over-indulge in extravagant living, therefore creating a life where it feels there is no slowing down or opportunity to enjoy.</p>
5♥	<p>Ability to use changes within your personal life to uplevel your life. Accepting and using an opportunity of feeling something isn't right to check in and see if you need to change how you feel about something. Going out and meeting new people and sharing with others who you are in a creative way.</p> <p>Making Love + duty important - creating the ability to be disciplined, reliable and trustworthy in your relationships.</p>	<p>Rollercoaster emotions between being interested and staying involved. Assertive with needs with high expectations. Fickle in feelings and getting stuck in it. Fear of rejection due to going all in even when no rejection exists creating a feeling of wanting to withdraw. Feeling excluded in social situations and with romantic partners.</p>
5♣	<p>Open to gathering new information to go find what you need to know, to change your mind and plans to acquire what you are seeking. Progressive.</p> <p>Thriving in an environment of change which includes traveling, changing job/careers and home.</p>	<p>An unwillingness to commit yourself to any particular belief or philosophy. Instability in your beliefs or plans.</p> <p>Getting caught up in seeing the glass half empty and negative thinking that affects self-esteem.</p>

5♦	<p>Thriving in an environment of change – traveling, changing jobs, changing income and changing your values.</p> <p>Practical with your spirituality, uniting your spiritual idealism with your everyday reality.</p> <p>Sensitive with a big imagination and putting it to use.</p>	<p>Restlessness and seeing instability or changes as negative. Refusing to change. Conflicts between self-preservation and compassion and practicality with reaching dreams.</p>
----	---	--

5♠	<p>Motivated and willing to move, change locations, change lifestyle habits, change health. Changing what you do day in and out to achieve what you are seeking. Sex appeal with passion. Wanting to get the most out of life.</p>	<p>Changing so much that you never establish any foundations in your life. Change to avoid what you really need to do. Not sticking with anything long enough to make an impact.</p>
----	--	--

		<p>Vacillating between wanting freedom and wanting closeness in relationships creating a need to want things spicy, with heated arguments, then passionate making up.</p> <p>Intense within relationships creating an inability to grow and move forward.</p>
6♥	<p>Intuitively knowing how to love others in a spiritual sense. Fated meetings with others and fated relationships. Using the law of love and compromises to overcome any obstacles in your relationships. Impassioned, competitive and fierce in relationships.</p>	<p>Irresponsibility with relationships, creating drama or disharmony. Acting aggressively without thinking due to the need to keep the peace in a relationship- not realizing that the aggression is blocking any peaceful resolutions.</p>
6♣	<p>Using your strong intuition and making compromises to keep peace and harmony. Hearing the inner messages and sharing higher knowledge with others. Imaginative and sensitive - using the imagination to create a peaceful reality. Gift of Be Still and Know - hearing the inner guidance and allowing the desires to come into your life.</p>	<p>Not willing to listen to your inner messages or intuition. Severe procrastination because of “being still” and not allowing messages or dreams to enter life. Not making any decisions or staying stuck. Getting too caught up in idealism or escaping into fantasy, thus overriding practical measures needed to accomplish desires and dreams.</p>

6♦	Making compromises where money is concerned and taking full responsibility for all your debts and actions that involve exchange of value. Outgoing and friendly with interests in higher education, philosophy and travel.	Falling into a comfortable rut and not paying attention to your financial affairs. Refusing to be responsible for any debt.
6♠	Creating peace and harmony in your work and health. Experiencing “karmic” situations to balance out your life. High intellect with high intuition - making ability to create fundamental changes in the world combining intellectual and/or scientific advances with a sensitive and compassionate approach. Showing others how to help themselves.	Procrastination, fear of doing anything, not trusting intuitive messages. Waiting and wishing and never going for it. Not recognizing or using the balancing situations of your “karma.”
7♥	Challenges in love create an opportunity to understand unconditional love – love from a higher perspective. Using betrayal or	Bitterness and a refusal to see challenges with relationships to uplevel how you love. Fearing relationships and the

	heartbreak to teach you about spiritual love so you can allow others to be who they are and not place so many demands upon them. Becoming more aware of their true personalities and allowing yourself the freedom to be who you are and experience how it feels to be free of fear and attachment.	opportunities for experiencing genuine love by closing yourself off.
7♣	Using mental and spiritual revelations to expand your consciousness. Letting go of fear and attachments in your plans and ideas. Keeping an open mind to higher ideas. Good at taking traditional systems and upleveling them for social betterment. Combining originality with responsibility.	Caught up in needing the status quo, inducing negative thinking and attitudes. Conflicted between seeking freedom and fearing changes needed to create freedom. Challenges caused by negative thinking leading to depression, paranoia or mental illnesses.

7♦	Understanding and living real prosperity. Experiencing financial challenges so you can understand real prosperity. Making money, planning for money and doing it from a spiritual perspective. Releasing your fears around money. Being free from the stress of financial matters. Truly living abundance in the form of bliss, enjoyment and fulfilling desires with no attachment to material possessions.	Insecurity and fears about money. Having faith issues in regard to the truth about how you manifest your prosperity. Staying in negative attitudes and stress over your finances and your ability to make money. Foregoing happiness, pleasure and love due to fears of never having enough.
7♠	Taking responsibility for your condition and practicing positivity in spite of circumstances to attain new heights spiritually. Being curious, liberal and forward thinking and liking unusual ideas, leading you to new understandings about life and your spirituality.	Denying the cause and effects of your negative thinking. Becoming ill due to too much stress and negative health and work habits. Disliking routine so much you crave excitement and take risks that have a negative effect.
8♥	Having a spiritual force within you that you can use to better your life. Healing, social charm and magnetism used to help others. An idealistic, sensitive person who envisions the world as it could be and desires to create something better. Acts on behalf of others with sensitivity and compassion.	Manipulative and abusive with emotional power. Being a playboy or playgirl and leading others on. Egotistical and bullying others. Can see life as something you want to avoid, so turn to escapism and addiction.

8♣	The power to overcome all obstacles by focusing your thoughts on what is needed to learn or accomplish. Fixing your mind on specific goals and objectives – out of that focus and concentration, success is assured. A strong imagination coupled with a lot of sensitivity; you are very good at helping others. Can excel in the artistic field or entertainment field.	Fixation is on the impossible or stuck on the negative, making you sick or mentally unable to achieve your goals. Might focus so much on the hardships of life that you avoid responsibilities. Seeks the perfect partner, therefore overlooking faults or getting caught up in always blaming the partner - either no one is good enough, or you can't accept imperfections in others.
----	---	---

8♦	<p>Focusing and concentrating on what you value and what is most important to you in order to manifest the ways and means to have it. You always attract the money you need. An expansive enthusiasm that seeks all life has to offer. Optimistic and inspirational to others with a faith in life and the future that assists you through even the worst of times.</p>	<p>Abusing the financial venues given to you - not being clear or focused on what you want. Seeking excess and extravagance, overindulging in food, drink and spending that takes its toll on your health.</p>
8♠	<p>Strong will power enabling you to overcome all obstacles with work/health. Focusing your will on your most important goals. Finds practical ways to make idealism real. When balanced, one is adept at knowing when to move on something, when to wait, when to be optimistic, when to reevaluate, when to enjoy and when to work hard.</p>	<p>A forceful bully who pushes their will on everyone to achieve their goals or to be abusive. Combating any sense of being 'out of control' with a will of steel that fights through with force and feels alone and unsupported, so must do it all by themselves. Cheating, overpowering, conquering or needing to impress others as a way to 'win.'</p>
9♥	<p>Having a global, inclusive perspective on life and letting go of attachments and expectations regarding relationships and instead, embracing humanity with a brotherly love that allows others to feel a higher love. Letting go and allowing love, so all you need flows to you naturally and easily.</p>	<p>Being stuck in rigidity, feeling extreme responsibility that creates a sense of needing to control everyone and everything to the point of over-attachment and focus on responsibilities and structure in life. Holding onto losses in life to the point of being fearful of anything new or out of your control. Blocking love and relationships due to fear of disappointments or loss.</p>
9♣	<p>A serious, disciplined approach to all relationships. Conservative in picking partners, but exceptionally reliable and</p>	<p>Fear of rejection – even when none exists, creating a tendency to feel excluded in social situations and fearing that your</p>

	trustworthy in romance, partnerships and friendships. Takes time to get to know and trust others. Good at getting along with older people and probably matured at an early age. Open to higher forms of knowledge and allowing your experiences to reveal what beliefs, outdated thinking or negativity you need to let go of so that higher thinking and more beneficial beliefs can enter your life.	romantic partners don't really love you. Doing everything for your relationships to feel wanted-taking on all the responsibility for the relationship. Holding onto negativity or beliefs that aren't serving you any longer and not allowing yourself to uplevel and expand your spiritual knowledge.
9♦	Courageous and independent, with the ability to see out ahead and use higher values to make the most of opportunities. Being able to let go and not be attached to financial/material expectations, allowing for abundance to come to you in an easy, flowing way. Enthusiastically challenging the status quo with the ability to create and build projects that are inclusive and have a positive global result.	Fearful and overly attached to your things, money and the need to have it all to the point of blocking the natural flow of abundance. You like testing the limits of things and even being disruptive, needing excitement and enjoy shocking others with your beliefs and projects. Standing so strongly on your beliefs that you are unable to see the bigger picture or needs of others.
9♠	Sensual, artistic and sometimes emotional. Outgoing and charming, you easily get along with others, but you are attracted to those who are different and original. Seeks thrills and excitement in relationships and can fall in and out of love quickly.	Don't like relationships to restrict you, so can put up a wall or avoid routine or creating stability. With the focus on an unusual, unique romance, if it becomes ordinary or has expectations, one wants to run. Your blunt honesty and directness can hurt others and you won't ever notice as your own needs are all you think about.
10♥	Acting on the opportunities before you with self-confidence, optimism and a natural propensity for success in getting what you want. Naturally charming, drawing others to you and are good at creating a tribe, community or keeping family together.	Can be overzealous in what you believe in, making it a dramatic or competitive ordeal to others. You have a lot of masculine energy and can get caught up in everything being all about you and displaying that through your competitiveness.

	An abundance of youthful, creativity that enjoys art, artists and a bohemian approach to life. You want others to feel all the love!	
<b>10♣</b>	A fighting spirit, especially with what you know and believe in. Stamina, and high energy creates a need to be active with your ideas. Good at teaching and sharing your knowledge with groups. Direct, ambitious, and self-sufficient, you go after what you want.	Jumping into situations without stopping to think or being foolhardy. With so much mental activity it can create anxiety and a mind that never stops (or lets you sleep!), to the point of not being able to focus on one thing long enough to make it a success. A feeling of inferiority or entitlement with what you know and can teach others.
<b>10♦</b>	Success with expansion in building what you want financially or just in life. Gregarious, optimistic and blessed in life. Ability to take risks and have faith that it will all work out for the best. Open and allowing of blessings, abundance and higher truths and values to come into your life.	Believing that success is achieved through overextension, grandiose actions and unrealistic expectations. Desiring to have it all to the point of gluttony and a pompous attitude as well as taking things for granted. Not being open to receiving or allowing the positive into your life. Lacking faith and unwilling to take risks because of a belief that things never work out.

<b>10♠</b>	Mentally upbeat, outgoing and friendly. Interests in higher education, philosophy, foreign travel/cultures. You think big and positive and can work long and hard without it feeling like work. You allow the experiences of life to become your wisdom and then your success.	A mind that can exaggerate things to the point of overwhelm and exhaustion. Taking on too much work or being a workaholic and overlooking the details.
<b>J♥</b>	Popular, outgoing, friendly and positive. Experiences good luck with both others and money. Attracts romantic, wealthy people into your life and has a giving spirit. A tendency towards luck with investments. The spirit of the 'Christ' with the gift of uplifting others with a higher love is innately your power/gift to the world.	Prone to over-indulging and extravagant living. Can be immature and even 'unavailable' in romantic situations because of the need to not be responsible. Sacrificing for others as a martyr or allowing yourself to be used.
<b>J♣</b>	Good at communicating creatively, but will always do so in a unique, out of the	Fear of being seen as too weird and not living authentically. Immature or

	<p>ordinary way. Sensual, artistic and sometimes emotional. Outgoing and charming, easily get along with others, but are attracted to those who are different and original. Seeks thrills and excitement in relationships and can fall in and out of love quickly. Don't like relationships to restrict them and many are either bi-sexual or break the rules when it comes to intimate relationships.</p> <p>BEing the example of freedom to love who we want, to not be limited by societal standards and to think outside the box to be innovative and creative!</p>	<p>irresponsible with relationships or needing them to be so different that no one can fit the expectations. Not taking insights and inspiration seriously to act on them and create something unique.</p>
<b>J♦</b>	<p>Gifted at 'selling' - promoting or marketing your ideals with innovation. Making fundamental changes in the world combining compassion with scientific and intellectual advances. Helping those less fortunate by showing them how to help themselves.</p> <p>The energy of a gift of creatively promoting and living with personal freedom what one values. Being a role model for others who are seeking personal freedom. Living as an independent, unique individual and not getting hung up on looking outward to blaming others or some 'thing' as what is creating any difficulties.</p>	<p>Being so ungrounded and overwhelmed by the easy access to other realms that you feel too weird or unable to be 'normal.' Placing too much emphasis on personal freedom that you rebel in a negative way. Dismissing divine insights and experiences due to assigning them the labels of delusional.</p> <p>Selling and promoting (anything, including yourself) in a dishonest, immature way to only serve yourself.</p>
<b>J♠</b>	<p>Independent, individualistic and lives life by its own rules. Known as the Spiritual Initiate, meaning it can bring experiences and people into our lives that acts as a doorway for us to change and uplevel our wisdom and spirituality. This can be anything from a new diet, taking a class or having a spiritual awakening.</p> <p>Physically creative (such as acting).</p> <p>An opportunity to be proactive in using the insights and 'hits' you get about a person's motivations. It is also an opportunity to see</p>	<p>The one-eyed Jack can be narrow minded with only one viewpoint, not allowing any other options, or perspectives to enter.</p> <p>The Jack of Spades is called the Thief - it can be an energy vampire or one who lives through deception and lies.</p>

	<p>what we are attracting into our lives - are we attracting dishonest people and situations with hidden motives? If so, why? How can we use that information to be an initiation into a higher awareness? Are we afraid to see the truth?</p> <p>The J♠ is an opportunity to uplevel your life through events that help you embody and change who you are as a divine being.</p>	
Q♥	<p>Representing the Feminine principle, she rules with nurturing, motherly love, giving to her community through the service of love. Imaginative, sensitive, compassionate and creative. Connected to her senses and understands her true desires and how to manifest them.</p> <p>Giving yourself the TLC you need and valuing self-care.</p>	<p>Overly sensitive, prone to escapism which can lead to addictions. Overly indulgent in sensual pleasures and laziness. Making sex a priority over genuine love. A drama- queen with idealism minus practicality, and a life based on illusions. Overly suffocating or abusing her position of 'Mother.'</p>
Q♣	<p>Representing the Feminine principle, she rules with her Intuition. Living naturally through your intuition and embracing the assistance from guides and higher realms. Sharp mind, fast learner, independent thinker. Makes decisions quickly and acts decisively on those decisions. Speaks honestly and straight forward. Loves intellectual competition and stimulation. Serving others through her knowledge.</p> <p>Trusting your intuition and allowing it (and Guides) to assist you with your goals.</p>	<p>So highly attuned it creates a state of being high strung and too much in your head. Endless worry and wanting to rescue and overly-mother those you feel around you. The need to do everything fast and competitively.</p>
Q♦	<p>Representing the Feminine principle, she rules with her Higher values. She is the Philanthropist. Methodically gathers all information before deciding. Great planner and good at putting all the facts together. Good with serving the community by giving and helping to promote/build through higher values.</p>	<p>Needs to have luxury and 'all the things' in life to feel valued.</p> <p>Can get caught up in seeing glass half empty/negative thinking that affects self- esteem or gives a sense of being of no- value.</p>

<b>Q♠</b>	<p>Representing the Feminine principle, she rules with her ability to master her Self and be of service through her work. Going within, doing the inner work to master yourself to create the reality you desire. Being organized, on task and focused through both knowledge and higher insights.</p>	<p>Stuck in work that feels heavy or never stopping from work, creating a life of drudgery.</p>
<b>K♥</b>	<p>Mastering the power of love and emotions. Passionate thinking or communicating.  Makes decisions quickly and acts decisively on those decisions and speaks honestly and straight forward.  Teaches us that if we have more mastery over how our mind works to create the emotional responses we have, then we can take responsibility and master the mechanical emotional patterns that don't serve you and you can connect to a HIGHER aspect of your Emotional self. Gives you the gift (opportunity) to understand the real meaning of responsibility in taking charge of your emotions and how you react to them (using your mind) in order to live your innate power and create the life (and love) you truly desire.</p>	<p>Passionate arguing, wanting to debate everything and aggressive thinking.  Abusive and tyrannical with those you love, needing all the attention and sense of power in love.</p>
<b>K♣</b>	<p>Mastering how you communicate and having the responsible power to communicate. Strong mental distinctions and a leader through knowledge. He is about being responsible with your knowledge, your integrity, and the pursuit of truth.  Thinking at a higher level, to break outside your status quo so you can evolve, make progress and develop a better life. Helps to expand consciousness through leadership.</p>	<p>Abusive with any status of authority.  Stubbornness, irresponsibility, unreliability, insensitivity to others' feelings, inability to learn from others, inflexibility, eccentricity for its own sake, fear of change.</p>
<b>K♦</b>	<p>Master at creating/building a business or life of higher values through natural charisma and charm. Motivated with self-</p>	<p>Stubbornness with a focus that is narrow- minded or believing that your way is the only way. Being blind to other ways of</p>

	confidence and a fierceness towards achieving your goals.	doing things and feeling your authority is the only authority.
<b>K♠</b>	Stepping up in life to be a role model, leader and master at the things you deem worthwhile and important. Patient, a strong sense of purpose and the ability to organize, handle responsibilities and put in the hard work to achieve one's goals. Trustworthy and knowing what the right thing is to do to benefit all. Practical with self-discipline and a maturity that faces anything with reliability. Knowing how to delegate and make others important in their role to help achieve the success desired.	Expecting life to be hard and full of limitations, creating a pessimistic perspective, isolation and creating barriers to success. Feeling that you must live to such high standards that can't be accomplished so negatively affecting your self-esteem. This leads to creating perceptions of rejection by others. Trying to live up to perceived expectations of parents, work, society or culture creating the need to be responsible for everything and everyone to the point of feeling overburdened and resentful. Feeling unappreciated and excluded, then blaming others for not seeing your value or hard work.
